* Students must complete University Electives that total 12 ECTS, which can be satisfied by any of the following combinations: 2 electives each 6 ECTS, or 1 elective with 6 ECTS and 2 electives with 3 ECTS. Depending on number of university electives taken, the total number of courses is either 42 or 41. University Electives and 2 Foreign Language Elective courses are taken from the pool of University Elective courses, see Table 1.											
3 Faculty Elective courses are taken from the pool of Faculty Elective courses, see Table 2. Faculty Elective may be selected from other FENS programmes with the approval of Program Coordinator.											
5 Program Electives are taken from the pool of Program Elective courses, see Table 3. 2 Program Electives may be selected from other FENS programmes (including FENS graduate level courses) with the approval of Program Coordinator.											
3 Free Elective courses are taken from any faculty. It is strongly recommended that the students take MAN303 Entrepreneurship and Small Business Management											
Junior standing: student has successfully completed at least 108 ECTS. Senior standing: student has successfully completed at least 165 ECTS.											
This new curriculum is being implemented for the new freshman students who entered the freshman class in the year 2017/2018 or after.											
For the existing sophomore, junior and senior students, the Faculty Council will make plans for proper adaptation to the new curriculum.											
In exceptional cases only, Faculty Council may make a decision for a student to bypass a prerequisite for a course.											
Work placement/Internship is typically practiced in summer for a period of at least 30 work days, totalling at least 210 hours.
